

ASPIRING TEAM LEADERS

Unlock your management potential with our Aspiring Team Leader Apprenticeship Programme! Designed for emerging managers, this Team Leader Level 3 apprenticeship will give you the knowledge, skills and behaviours and supported practical experience to become an effective team leader.

This programme is suitable for colleagues who both are currently managing people or are able to mentor or line manage a colleague for a minimum of 3 months. Towards the end of the apprenticeship, apprentices will benefit from completing a project with a minimum duration of 6 weeks which will include -

- Sourcing resources
- Setting and monitoring operational goals and objectives
- Collating and analysing data

We will discuss project opportunities for this with your current line manager.

For more information or to arrange a meeting to discuss how this could work in your role, contact AQT@eastsussex.gov.uk

1:1 Support

You will be given regular support and guidance throughout included dedicated 1:1 meetings with a progress coach.

Master Classes

There will be a range of online and face to face Master Classes in which you will learn all the knowledge, skills and behaviours required to be an effective Team Leader.

Group Coaching

Group coaching forms part of the Aspiring Team Leader Apprenticeship, this will provide an opportunity for collaborative learning, peer support and enhanced skill development.

Manager Support

Every 10 weeks, you, your manager and progress coach will be involved in a review meeting to discuss your progress and agree targets moving forward.
