

Apprenticeships

New and existing workers are able to further enhance their skills and knowledge, and gain a recognised qualification, by completing an apprenticeship with Adult Social Care.

Apprenticeships available include:

Adult Care Worker Level 2

Healthcare Support Worker Level 2

Lead Adult Care Worker Level 3

Senior Healthcare Support Worker Level 3

Apprenticeships consist of a blended programme of learning at work, taught sessions and learning sets.

All staff who choose to complete an apprenticeship will be given the support of an apprenticeship coach to guide them through the process.

Staff with no qualifications in English or Maths will also be supported to achieve a qualification in these areas.

Further information is available via your line manager.

Qualifications

Existing workers are able to further their personal and professional development, by completing a nationally recognised Level 2 certificate in the following areas:

- Understanding Behaviour that Challenges
- Awareness of Mental Health Problems
- Understanding in Care and Management of Diabetes
- Principles of Care Planning
- Common Health Conditions
- Principles of Dementia Care
- Understanding Dignity and Safeguarding
- Principles of End of Life Care
- Principles of the Prevention and Control of Infection
- Understanding the Safe Handling of Medication
- Falls Prevention Awareness
- Understanding Safeguarding and Prevent

Further information on current availability can be discussed with your line manager or by contacting Apprenticeship and Qualifications Team: AQT@eastsussex.gov.uk.
